Allen Norfleet
Campaign Finance Analyst
Reports Analysis Division

Dear Mr. Norfleet:

I am responding to your two letters of May 29, 2009, in which you request information about two items on our 30 Day Post-General Report (10/1/08-11/24/08) and one item on our Year End Report (11/25/08-12/31/08).

I have corrected the negative cash balance shown on each report in amended reports filed today by making a cash adjustment on Line 17 of the 30 Day report in the amount of 2443.81. This cash adjustment reflects our actual cash balance of \$594.83 on 11/24/08. When this adjustment is carried forward, it accurately reflects our positive cash balance of \$504.83 on 12/31/08.

We have discovered inaccuracies in our 2005-2006 reports and will shortly begin the process of amending our past reports from 2005 forward to correct the errors.

The other item identified in your letter is a failure to file a 24 hour notice regarding a payment on 11/02/08 to Priority Press of 3220.92 for a mailing in support of Green Party presidential candidate Cynthia McKinney that was an independent expenditure. We regret our failure to make this filing and will undertake not to make this mistake again.

Very truly yours,

Rachel Treichler
